QUOTE NOTES:

S&H TBD prior to order placement.

TERMS:

FCA, CWO; Payment via Credit/Debit Cards, Wire Transfer, EFT, PayPal, Check and SafeFunds.com. Order placement occurs and manufacturing commences upon funds becoming available to Allied Titanium, Inc. Delivery of the goods by Allied Titanium, Inc. to the shipping carrier at the first shipping point shall constitute delivery to the Buyer. Upon that delivery, the sale has occurred; title shall pass to Buyer and risk of loss passes to Buyer as well.

Allied Titanium, Inc.'s Terms and Conditions take precedence over all Customer or Buyer Terms and Conditions. Please see our [Terms and Conditions](#) online or request a copy from your sales representative.

Please be aware, if your order contains products manufactured overseas, duties may apply to your order and will be assessed at the time of shipping and invoiced separately from your order. These duties are unfortunately made necessary by recent trade tariffs applied to titanium material and products.

In the unlikely event that the product shipped does not match the specifications outlined in our UPD Sheets or CAD files, Allied Titanium, Inc. will replace the item with a conforming item.

Allied Titanium qualifies for the COTS exception as set forth in DFARS 204.7304. Allied Titanium agrees to only provide COTS items under all resultant awards of a subcontract or purchase order unless customers explicitly state their CUI requirements at the point of request for quote (RFQ) and thereafter clearly annotate all specific CUI documentation.
